Game 1

Factories Delta, Echo, and Charlie supplied the store in New York City, which passed inspection with a success rate of over 95%. However, factories Echo, Bravo, and Alpha supplied the store in Los Angeles, where a recent inspection revealed that only 70% of the sample was free of defects. Better news arrived from Chicago, which received shipments from factories Alpha, Charlie, and Delta and scored over 95% defect-free. Conversely, the store in Houston, supplied by factories Bravo, Alpha, and Charlie, suffered a drop in quality with a pass rate of only 70%. Finally, factories Charlie, Delta, and Bravo sent products to Phoenix, which also recorded a low pass rate of 70%.

Game 2

Factories Echo, Bravo, and Charlie supplied the store in New York City, achieving an inspection pass rate of over 95%. However, factories Alpha, Delta, and Charlie supplied the store in Los Angeles, where an inspection revealed a reduced pass rate of only 80% free of defects. Shipments to Chicago from factories Bravo, Echo, and Alpha regained high quality with over 95% success. Similarly, the store in Houston, supplied by factories Charlie, Delta, and Echo, achieved a pass rate of over 95%. Finally, shipments from factories Delta, Alpha, and Bravo to Phoenix recorded a lower pass rate of 80%.

Game 3

Factories Echo, Charlie, and Bravo supplied the store in New York City, which passed inspection with over 95% defect-free products. The store in Los Angeles, supplied by factories Foxtrot, Delta, and Alpha, also performed well with a pass rate exceeding 95%. Likewise, Chicago received products from factories Alpha, Charlie, and Foxtrot, achieving an inspection pass rate of over 95%. Quality dropped at the Houston store, supplied by factories Bravo, Delta, and Echo, which recorded a pass rate of only 85%. The Phoenix location, supplied by factories Charlie, Foxtrot, and Echo, recovered with an inspection score over 95%. Lastly, factories Delta, Alpha, and Bravo supplied the Philadelphia store, which registered a reduced pass rate of 85%.

Game 4

Factories Bravo, Echo, and Charlie supplied the store in New York City, recording an inspection pass rate of over 95%. Los Angeles received shipments from factories Charlie, Foxtrot, and Delta, also achieving a pass rate above 95%. The store in

Chicago, supplied by factories Delta, Alpha, and Bravo, continued the trend with over 95% defect-free goods. Quality issues emerged in Houston, where shipments from factories Echo, Foxtrot, and Alpha resulted in a pass rate of only 85%. Similarly, the store in Phoenix, supplied by factories Foxtrot, Echo, and Delta, recorded a low pass rate of 85%. Finally, factories Alpha, Bravo, and Charlie supplied Philadelphia, which returned to top quality with over 95% pass rate.

Game 5

Factories Golf, Alpha, and Charlie supplied the store in New York City, passing inspection with over 95% defect-free goods. Factories Alpha, Delta, and Foxtrot supplied the store in Los Angeles, which also achieved a pass rate above 95%. Shipments to Chicago from factories Bravo, Echo, and Foxtrot yielded over 95% success. Quality dropped at the Houston location, supplied by factories Charlie, Echo, and Golf, resulting in a pass rate of 90%. The store in Phoenix, supplied by factories Delta, Bravo, and Echo, bounced back with over 95% success. Philadelphia received shipments from factories Echo, Foxtrot, and Alpha, achieving over 95% defect-free items. Finally, factories Foxtrot, Delta, and Golf supplied San Antonio, which also scored over 95% on inspection.

Game 6

Factories Delta, Alpha, and Golf supplied the store in New York City, achieving an inspection pass rate of over 95%. The Los Angeles store, supplied by factories Echo, Bravo, and Foxtrot, also performed well with over 95% defect-free items. Chicago received goods from factories Foxtrot, Charlie, and Echo, securing another pass rate above 95%. However, quality dipped in Houston, where shipments from factories Golf, Bravo, and Alpha yielded a pass rate of only 85%. Factories Alpha, Delta, and Charlie supplied Phoenix, returning a high pass rate of over 95%. Shipments to Philadelphia from factories Bravo, Golf, and Delta saw another quality decline, recording an 85% pass rate. Finally, San Antonio received goods from factories Charlie, Foxtrot, and Alpha, finishing with over 95% defect-free products.

Game 7

Factories Echo, Golf, and Delta supplied the store in New York City, passing inspection with a score of over 95%. Severe quality issues hit the Los Angeles store, supplied by factories Foxtrot, Charlie, and Bravo, which registered a stark pass rate of only 70% due to multiple supplier deficiencies. Chicago received shipments from factories Golf, Alpha, and Hotel, recovering to over 95% success. The Houston location, supplied by factories

Hotel, Echo, and Foxtrot, suffered a decline with an 80% pass rate. Shipments to Phoenix from factories Alpha, Bravo, and Delta recorded a reduced pass rate of 85%. The store in Philadelphia, supplied by factories Bravo, Charlie, and Echo, achieved a strong pass rate above 95%. San Antonio, supplied by factories Charlie, Foxtrot, and Hotel, recorded another drop with an 80% pass rate. Lastly, factories Delta, Golf, and Alpha supplied San Diego, finishing with an inspection pass rate over 95%.

Game 8

Factories Charlie, Hotel, and Foxtrot supplied the store in New York City, which recorded an inspection pass rate of 90%. Shipments to Los Angeles from factories Delta, Alpha, and Bravo saw further quality drops, returning a pass rate of 75%. The Houston store, supplied by factories Echo, Golf, and Bravo, similarly registered a low pass rate of 75%. Quality recovered in Chicago, supplied by factories Foxtrot, Charlie, and Golf, which achieved over 95% defect-free goods. Phoenix received shipments from factories Golf, Hotel, and Delta, scoring over 95% pass rate. The Philadelphia store, supplied by factories Hotel, Alpha, and Echo, also achieved over 95% success. Quality fell again in San Antonio, where shipments from factories Alpha, Charlie, and Bravo yielded a 75% pass rate. Finally, factories Bravo, Delta, and Foxtrot supplied San Diego, which recorded a low pass rate of 75%.

Game 9

Factories Bravo, Hotel, and Delta supplied the store in New York City, achieving an inspection pass rate of over 95%. Los Angeles received shipments from factories Charlie, Foxtrot, and Alpha, also scoring over 95% defect-free. Shipments to Chicago from factories Delta, Echo, and India maintained high standards with over 95% pass rate. Quality dropped at the Houston store, supplied by factories Echo, Golf, and Hotel, resulting in an 85% pass rate. Phoenix received products from factories Foxtrot, Bravo, and India, returning to over 95% success. The Philadelphia location, supplied by factories Golf, Charlie, and Alpha, recorded an 85% pass rate. Shipments to San Antonio from factories Hotel, Bravo, and Echo similarly yielded an 85% pass rate. The San Diego store, supplied by factories India, Golf, and Delta, also registered a reduced pass rate of 85%. Finally, factories Alpha, Charlie, and Bravo supplied Dallas, concluding operations with a pass rate above 95%.

Game 10

Factories Alpha, Bravo, and Foxtrot supplied the store in New York City, passing inspection with over 95% defect-free products. The store in Los Angeles, supplied by

factories Bravo, India, and Hotel, also scored over 95% success. Chicago received goods from factories Charlie, Golf, and Echo, maintaining an inspection pass rate above 95%. Shipments to Houston from factories Delta, Golf, and Charlie continued the streak with over 95% defect-free items. Quality dropped at the Phoenix location, supplied by factories Echo, India, and Delta, which recorded an 85% pass rate. The Philadelphia store, supplied by factories Foxtrot, Hotel, and Alpha, also registered an 85% pass rate. San Antonio received goods from factories Golf, Hotel, and Foxtrot, resulting in an 85% pass rate. Bouncing back, the San Diego store, supplied by factories Hotel, Echo, and Charlie, achieved over 95% success. Finally, factories India, Alpha, and Delta supplied Dallas, which concluded with an 85% pass rate.
